

Promastar Invites GITEX 2010 Visitors To Discover Its Services

October 17, 2010 – Dubai, UAE, Promastar is participating in GITEX 2010 that will take place in Dubai World Trade Center from October 17-21. Promastar, which is an Oracle Platinum Partner for EMEA region and an approved education provider for Oracle University, is inviting GITEX 2010 visitors to discover its high quality Project Portfolio Management services.

“GITEX is a great platform to demonstrate our strong regional presence and to showcase our consulting and training services that empower our clients with high class solutions”, said : Mostafa El Bakry President of Promastar.

“Promastar offers a wide range of services to clients covering all stages of projects’ portfolios from inception to conclusion. These services include: implementation of project management information systems (PMIS), project/program management office (PMO) setup and development, feasibility studies, design process management, tendering procedures and contract award, schedule and cost management, contract administration and claims management. This, in addition to a wide range of training programs”, added Mr. El Bakry.

On the story of Promastar success, he said that Promastar has a dedicated team of certified consultants that always strive to provide value through service. Being a professional consulting house with 6 offices in Europe, Middle East and Gulf Region has helped our clients excel in their area of businesses. This all paved a path for Promastar toward being a leading consultancy and competency developer of Project Portfolio Management services and supporting systems in its region.

It is worth mentioning that Promastar delivers and implements solutions from Oracle – Primavera the world leading provider of integrated project portfolio management solutions including: Enterprise Project Management (P6), Planning & Control (P3) – Legacy system, Planning & Control for small scale companies (Primavera Contractor), Cost Management, Risk Analysis (Risk Expert – Pert Master) and Contract Administration & Project Control (Contract Management). Promastar also is an authorized Oracle University partner in EMEA specialized for Providing Certified Primavera training. Trainees attending such courses earn a certificate directly from Oracle Primavera plus PDUs and CEUs from PMI.

Visit Promastar stand (WS11) located in the Business Solutions area under the Oracle Pavilion in Hall no. 5 in Dubai World Trade Centre during GITEX to discuss with our team which services will best support your company’s requirements.

About us:

Promastar is a professional consulting house that creates value for clients throughout EMEA and Gulf region by providing high quality project portfolio management services. Founded in Egypt in 2001; we have grown from a local player to one of the top regional companies in our industry specialized in providing integrated PPM solutions including consultation, implementation and training services. Through our dedication, we offer the most effective results-oriented consulting and training services aiming at qualifying our clients to be amongst the best performers in their business areas. Our objective is to enable companies to create and sustain competitive advantage. Promastar's approach is based on successful past experience delivered by renowned PM consultants; with PMP certification, authorized Primavera trainers and IT consultants with Oracle and Microsoft products certification. Promastar is an Oracle Platinum Partner for EMEA region with the Primavera solutions focus area. Promastar is also an Approved Education Provider for Oracle University.
